## RELEASE FORM – Please read and fill in name and date below.

The undersigned agrees to forever hold ExaTorq Tuning and Performance, the directors, agents, distributors, marketers, representatives, employees and assigns, harmless and indemnify them against and from all claims, demands, losses, costs, damages, suits, judgements, penalties, expenses, or liability of any kind, or nature whatsoever arising directly, or indirectly out of, or in connection with any custom programming requested, and further release and discharge each of the persons and entities referred to herein of and from any and all known claims, demands, losses and/or liability of any kind or nature resulting from any acts of the aforesaid in connection with the programming requested by the undersigned. In addition, the undersigned has personally completed or directed completion of the worksheet to the specifications of their vehicle and has read the release under which ExaTorq, LLC and all agents cannot be held responsible for any claims concerning the above vehicle. By signing this release form I acknowledge that this product is for off road use and is not C.A.R.B. Certified.

The core must be returned within 30 days of order shipment to avoid a core charge. A core charge of \$150 (through 2002) or \$300 (2003+) will be authorized on customer's credit card on the day of shipment, but not submitted to the credit card company until 30 days from the shipping date. Newer years or rare cores will have a higher core charge based on availability. If the core is received at ExaTorq, LLC after the 30 days and the charge has been submitted, the total charge will be credited back to the credit card. There will be no core charge if the tuning is uploaded directly on the vehicle.

**I have personally completed or directed completion of the above worksheet, read the above release, and accept all the above terms and conditions.**
